

Kuji City Map

Yamase Dofukan (Local Product Center)

The product display hall "Donokan" and the tourist exchange center "Funokan" are central. There are a number of exciting facilities including a display of festival floats form the autumn festival, restaurants, and a cluster of food stalls.

Donokan: Sells products from local sources and the surrounding area.
Funokan: Multipurpose Hall/Festival float display
Festival float construction hands on hall: You can actually experience making a float for the Kuji Autumn Festival.
History Path Plaza: Permanent food stalls are stationed here
